

Rate Your S.M.A.R.T. Thinking Development

I notice that I do the following Always, Often, Sometimes, Not Yet. Print chosen initial on line.

- _____ 1. Keep on trying. I'm persistent over time.
- _____ 2. Think about what I say and do before I act.
- _____ 3. Listen to others with understanding and think about what I would do if I were in their shoes.
- _____ 4. Figure out more than one way to do things. I imagine the possibilities for an idea.
- _____ 5. Explain how I solve problems and figure out new solutions independently.
- _____ 6. Check my work for accuracy before I turn it in for others to review.
- _____ 7. Ask questions to find out more about things. Many things intrigue me.
- _____ 8. Use known information to solve new problems in different situations.
- _____ 9. Enjoy using words that show exactly how I feel and precisely what I mean.
- _____ 10. Use all my senses (vision, hearing, touch, smell, and taste) in order to learn more.
- _____ 11. Am a creative person. I like to invent and do new things with my individual style.
- _____ 12. Am curious and wonder about the world. I enjoy problem-solving and love to learn.
- _____ 13. Like to take chances. I have fun trying new things and experimenting to see if ideas work.
- _____ 14. Love to laugh at jokes, comics, funny stories and shows. I enjoy being silly and having fun.
- _____ 15. Enjoy working with others to solve problems and cooperate as a team member on projects.
- _____ 16. Am always looking into new things. I am too interested in people and projects to feel bored.
